¹XD1 delivered with two armboards for 9" arms. When ordering a XD1 with 12" arm, the additional cost for the 12" armboard is included in the price.

²The XD1 can only be sold without a CF1-Ti series arm to original owners of SAT Pickup Arms and to owners of pre-owned qualified/certified SAT arms.

³All arms delivered with 1,5m cable with either Japanese RCA or Neutrik XLR connectors.

⁴Demo prices of all armboards and accessories are 50% of retail prices.

⁵XD1 Record Player System is sold without vacuum suction unless specified.
